Armonia

'Armonia' collection is famous for the innovative cup design with recessed bottom, which enables the wine to develop its aromas twice as fast as with a regular wine-tasting chalice.

'Stop' collection is all about frozen moments in time, mindfulness and appreciation of the present. Because life is not a race and we all should take a deep breath, relax and smile more often.

If crystal could talk, this collection would invite you to stop worrying and start living.
